

"SEEING AND HEARING LACHLAN'S PIE EXPERTISE IN ACTION THROUGH OUR SCHOOL MASTERCLASS WAS INSPIRING AND WORTH EVERY SECOND BOTH FOR OUR STUDENTS AND TEACHERS"

-Elise Moyle, Temple Christian College

PIE WORKSHOPS AND DEMONSTRATIONS

Engage your students in a delightful culinary experience with our American-style sweet pie workshops and demonstrations, led by Adelaide's own Pie Guy, Lachlan Mackay of Proof of Pie. With over 17 years of teaching experience as a high-school teacher in South Australia, Lachlan brings his expertise and passion for baking to your classroom.

Authentic Expertise:

Lachlan Mackay, an experienced educator, will guide your students through the art of American sweet pie baking, sharing his in-depth knowledge and techniques acquired from the food industry.

Tailored Workshops:

We understand that each school has unique educational needs. Our workshops and demonstrations can be customized to align with your specific requirements, ensuring a valuable and enriching experience for your students.

Flexible Options:

We understand the demands of your school schedule. That's why we offer full day, half day, and multi-day workshop options, tailored to fit seamlessly into your curriculum.

Tastings:

Enhance the learning journey with the option to sample our delectable pies. Your students will also savour the flavours they create, providing a truly immersive and memorable experience.

Convenience:

We can provide all the necessary ingredients and equipment for a hassle-free experience, or we can utilize the resources available at your facility. It's your choice!

Beyond Adelaide:

We happily serve schools within Adelaide, and for an additional fee, we can also extend our workshops to country and interstate schools, bringing our expertise to your doorstep.

Discover the joy of American-style sweet pie baking and empower your students with essential culinary skills. Contact us now to explore the packages available and tailor a workshop that suits your school's needs.

Important Information:

- A limit of 20 students per workshop applies. We are happy to accommodate more than this number for demonstrations, as long as it is safe to do so and all students can see the teaching space.
- In a 2.5 hour session, we will have time for one demonstration and one short workshop, a long workshop or two demonstrations. Longer bookings will allow for more flexibility.
- In each demonstration, we will assemble 2 pies and make one serve of all-butter pastry.
- In each long workshop, each student will make their own pie from scratch (including pastry)
- In each short workshop, each student will make their own filling and bake their pie (using pre-prepared pastry)
